28 March 2025

Dear Kathleen Broughton

**Annual Review of your Financial Assessment**

We have reviewed your Financial Assessment following the increase in benefits paid by the Department of Work and Pensions

Your new financial assessment amount will be **£299.59** per week with effect from 07 April 2025.

The first invoice for your new financial assessment amount will be sent to you on or shortly after 14 April 2025. If you pay by Direct Debit, changes to the amount we deduct from your bank account will be made automatically so you do not need to do anything.

If you have any query regarding this, please contact the Financial Assessment and Assistance Team on (0115) 9775760 option 3, or the Customer Services Centre on 0300 500 8080.

Yours sincerely

**Financial Assessment and Assistance Team**
