
Adult carers

This page has been created as a central resource to enable staff to find various information about what support the Council provides to unpaid carers.

Changes to NHS Short Breaks for Carers

Key Changes

- Transfer of overall budget and administration of short breaks scheme from health (Nottingham and Nottinghamshire ICB) to NCC ASCH for 2025 to 2026 onwards.
- ICB (Carers Breaks team), stopped receiving requests from 1 April 2025.

This means that:

- ASCH workers are now responsible for agreeing and commissioning short breaks for eligible carers
- £229k transferred over from the ICB to NCC ASCH Better Care Fund (for carers) for 2025 to 2026
- Carers in Bassetlaw can have access to the wider scheme
- Agreeing and commissioning breaks will be much easier and quicker
- Providers will get paid based on commissioned activity in Mosaic (quicker and easier processes for providers)

For further information take a look at the staff briefing video and PowerPoint slides below:
