

Home Based Care Amendment - Short Term Incr/Decr (incl. Multiple Amendments)

This process relates to packages with Lead and Additional Providers only - for Spot and DPS providers please follow the existing (interim) processes.

Short term amendments or multiple short-term amendments can be completed via a “**Home Based Care – Request Care Package Amendment**”. **NB Short Term is deemed as less than 6 weeks.**

*** As per current arrangements you may contact the current HBC provider to verbally agree the amendment before putting this request through. However, you must complete the below process in order to commission the change ***

When you have established that the Service User requires an increase to an existing care package, and you have obtained the necessary approval via your Line Manager:

- 1) From the person summary click 
- 2) Select “**New**”
- 3) Select **Home Based Care – Request Care Package Amendment**

• [Home Based Care Request Care Package Amendment](#)

- 4) Complete the form, ensuring that all current ongoing costs are included

NOTE: Please enter a specific date for the increase or decrease to start, rather than a range of dates

- 5) Under the **HBC amendment section** click the add button 
- 6) Complete the details of the amendment (you may add multiple amendments)
- 7) Click the requests icon  on the Mosaic toolbar
- 8) Select the radio button for “**Home Based Care – Package Amendment**”
- 9) Pass to Team – **Home Care Portal**
- 10) Click **OK** and Save 
- 11) Exit the step via the red cross 

Check the status of your request by clicking on the **summary** of the HBC request care package amendment. You should see that your request has been “Completed” and imported to the Home Care Portal.
