Clicking the small clipboard icon reveals a dropdown menu which says 'View All' which if chosen then displays all the authorisation requests on the main screen, not just one SU

From here you can choose any SU record which is requiring authorisation (this example only has one, but managers will usually have a list of SU names requiring authorisation).

Clicking on the SU name will take you directly to their Personal Details Summary Screen, not the authorisation task. To access the Authorisation Task, which automatically opens in the main screen, click on the required blue link 'Personal Budgets' alongside the relevant SU name under Service.

Click the Authorise radio button and enter a note if required.

If rejecting, click the Reject radio button and an appropriate note PLUS click the drop-down arrow to include a reason from the choices.

If higher level authorisation is required, escalate from the choices in the drop down from Request next Authorisation from

The screenshot shows a form for authorising a personal budget. It includes a section for 'Last Recommendation / Authorisation Note' at the top. Below this is an 'Action' section with two radio buttons: 'Authorise' and 'Reject'. To the right of these is a field for 'Authorisation Action *'. Below the radio buttons is a large text area for 'Authorisation Note'. To the right of this is a dropdown menu for 'Reason #'. At the bottom, there is a section for 'Request next Authorisation from' with a dropdown menu. Red arrows point from the instructional text on the left to the 'Authorise' radio button, the 'Reject' radio button, the 'Authorisation Note' text area, the 'Reason #' dropdown, and the 'Request next Authorisation from' dropdown.

Once completed, click 'Save' and it will go to the worker and disappear from your list of tasks.

The screenshot shows the bottom of the form with four buttons: 'View Care Package', 'Amend Work', 'Save', and 'Cancel'. The 'Save' button is highlighted with a red rectangle.
