
Referral Forms (s117 Cases)

The information below outlines the processes to be followed and forms to be completed where s117 After Care funding is required from a ICB to contribute to a placement following discharge.

It should be noted, that the CHC Checklist should NOT be used for funding requests when an individual is about to be placed following discharge.

The referral form must be submitted prior to any s17 leave or discharge, as the ICB will not fund prior to receipt of the referral, and such delays will lead to the Council not receiving appropriate contributions from the ICB towards any package of care.

Please [see s117 Local Protocol](#)

The s117 funding referral form is for use across all CCGs within Nottinghamshire. Please send completed forms to the relevant ICB team. The Useful Contacts page within the s117 Support Area contains relevant current email addresses for submission.

The form can be found as a Template within Mosaic Documents, and is called s117.

Any requests for a change to a pre-existing funding split, should be emailed to the relevant ICB team, who will trigger a review. The review should be completed within 28 days.

The above form is generally accepted by ICB outside Nottinghamshire, however, if you experience any difficulties, please contact Martyn Harris on martyn.harris@nottscc.gov.uk.
