
Section 117 After Care Staff Guidance and Support

The links below provide advice and guidance on the processes to be followed when working with people who might be, or are eligible for Section 117 After Care. A person is entitled to Section 117 after care if they have been in hospital under certain sections of the Mental Health Act 1983:

- for treatment under section 3
- under a hospital order under section 37
- following transfer from prison under section 47 or 48
- under a hospital direction under section 45A

Please note that this guidance does not relate to Continuing Health Care (CHC). Guidance for this area of work (including FNC and Joint Packages) can be found on the [Continuing Health Care page](#).

Where processes and policies have been agreed with partner organisations, this will be stated.
