

# Support for people who are deafblind

The Adult Deaf and Visual Impairment Service (ADVIS) team have specialist skills, knowledge and information to help and support people with a combined sight and hearing loss. Our staff are skilled in a variety of communication methods including British Sign Language (BSL), deafblind manual and braille.

## Who can get support?

This service is for adults aged 18 and upwards who are Deaf and visually impaired and living in Nottinghamshire.

Some people will have had a dual sensory impairment all their life but others will have developed sight and hearing difficulties with age.

## We can help by:

- Giving advice and information to help with communication and mobility
- Advising on specialist equipment that may help with sight and hearing loss
- Helping you to develop skills such as mobility to travel independently and daily living activities such as preparing meals
- Delivering training such as typing, teaching you and those close to you the Deafblind manual and other communication methods
- Visiting you to discuss the kind of support you need and how we can help you to promote your independence
- Working with you to give you advice on how to keep safe and live as independently as possible in your home.

## Contact us

If you need ADVIS support [contact our customer service team to complete an ADVIS referral](#).

## Other support
