

Creating a Request for Financial Assessment

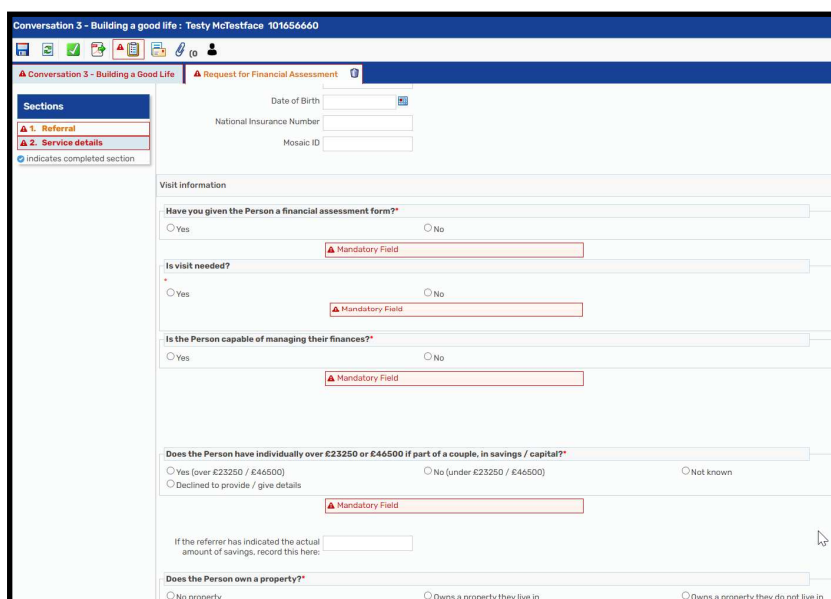

The Request for Financial Assessment form can be found in Conversation 2—Action Planning, Conversation 3—Building a Good Life, Review Conversation—Community Based and Review Conversation—Long Term Care steps.

- To access the Request for Financial Assessment form once in one of the above mentioned steps click on the Forms and Letters icon.

- Scroll down the list to find the Request for Financial Assessment.
- Click on this option.

- Fully complete sections 1 and 2.
- Clicking Save  will show any mandatory fields.
- There are hidden fields that only display when a certain answer is given, these may also be mandatory.

- Section 2 contains links to the Disability Related Expenditure and Guidance on the intranet.

Once the Request for Financial Assessment form has been completed this can be sent to the relevant worker before the step has been finished.

- To send the Request for Financial Assessment return to the main form in the step.
- Click on the Next Actions section.
- Click Add
- Select the Request a Financial Assessment on the Person next action.
- Tick the Send Immediately? box— this is what sends the next action before clicking Finish (green tick).
- Choose the relevant worker from the drop down list.
- Click Add and close.
- Click Save  — this will send the request to the relevant worker.
