

Starting the Short Term Home Care Step from Conversation 2 - Action Planning

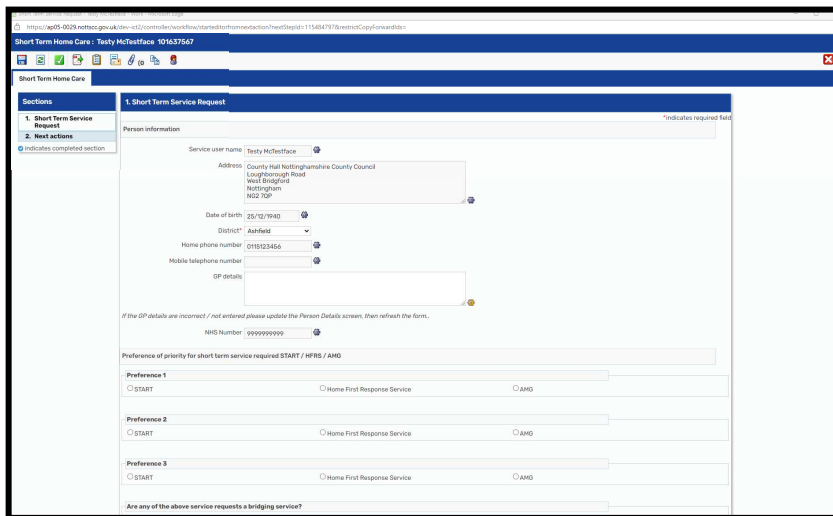

From Conversation 2 - Action Planning step choose the next action of Short Term Home Care and assign to yourself.

Note: When you select Short Term Home Care within the form you will have to add this as a Next Action.

Tick the Send Immediately checkbox and assign to yourself.

Save and close the step.

Open the Short Term Home Care step. The mandatory form will display.

Select your preferred service. Up to three services can be chosen.

Note: If you choose the same service twice the following warning will appear.

Please check providers selected as 2 are the same
