MOSAIC USER GUIDES : How to manage Service User Addresses

How add and change addresses in Mosaic follows using Search:

1. From the person Summary screen Click on **Person Details** and Click **Addresses**.

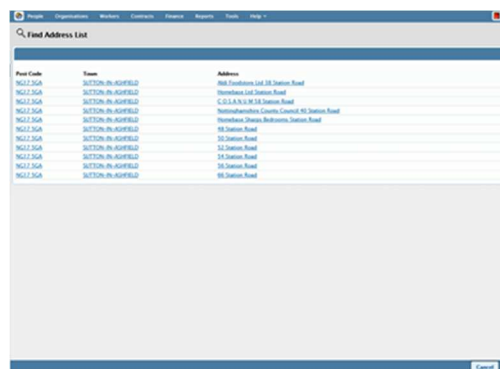

2. To add a New Address click on **Add** at the bottom of the addresses screen

3. On the Add Address screen Enter the post Code details (Where possible only enter the **POST CODE** as Mosaic is designed to automatically add an address for you.) Then Click find.

4. Click the correct address from the list returned by Mosaic

5. The new option appears in the Display screen

- Where the new address is the primary address and needs to be the display address add a tick in the tick boxes in **Other Details** screen

- The address type can be picked from the Address type drop down

- At this stage it is possible to more than one active Main Address, where possible this must be limited

- The Pencil allows you edit existing address information in the screen

Managing an existing Address in Mosaic

- From the **Person Summary** screen Click on **Person Details** and Click **Addresses**.

- This takes you to the address screen where exiting addresses can be amended by clicking on the Pencil icon  to the right of the address.

- This Takes you to the **Amend Person Address** screen,

- This is where you have options to make chosen address the display address and primary address and end residence (Note It **Cannot** be the primary address if it is to be closed.)

5. To make the address display on the **Person Summary** screen, add a tick to the Address Settings **Display Address** box

6. If you require this to be the primary address add a tick to the Address Settings **Primary Address** box

7. When All changes are made click **Save** on the bottom right of the **Amend Person Address** screen

Closing a Service User Address in Mosaic

1. From the **Person Summary** screen Click on **Person Details** and Click **Addresses**.

2. This takes you to the address screen where exiting addresses can be amended by clicking on the Pencil icon  to the right of the address.

3. Before adding the End date to an Address make that the Primary Address Tick box is **Un-ticked** (You **Cannot** close an active primary address)

4. Add the date residence of the address end into the to date box in other details

The screenshot shows the 'Other Details' form. The 'To' date field is highlighted with a red box and contains the date 27/01/2016. The form includes fields for 'Address Settings', 'Address Type', 'Main Address', 'From' date (22/01/2016), 'Household Structure', 'Tenure Type', and 'Access Notes'. The 'Save', 'Delete', and 'Cancel' buttons are at the bottom right.

5. Click save at the bottom right of the screen

The screenshot shows the 'Other Details' form. The 'Save' button is highlighted with a red box. The 'To' date field now contains the date 27/01/2016. The form includes fields for 'Address Settings', 'Address Type', 'Main Address', 'From' date (22/01/2016), 'Household Structure', 'Tenure Type', and 'Access Notes'. The 'Save', 'Delete', and 'Cancel' buttons are at the bottom right.

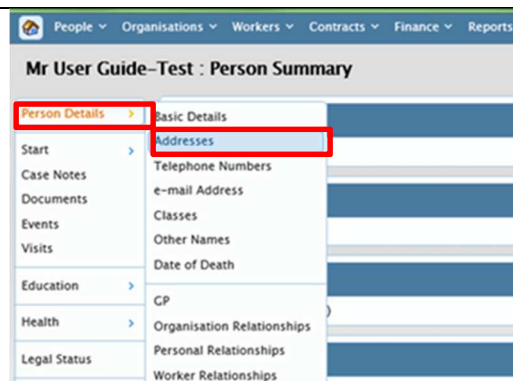

6. The Ended address now shows the date residence ended on the addresses screen

The screenshot shows the 'Addresses' screen. The table has columns for 'Display? Address', 'From', 'To', and 'Type'. The first record is highlighted with a blue row and shows the date 14/01/2016 in the 'To' column. The second record shows the date 22/01/2016 in the 'From' column and 27/01/2016 in the 'To' column.

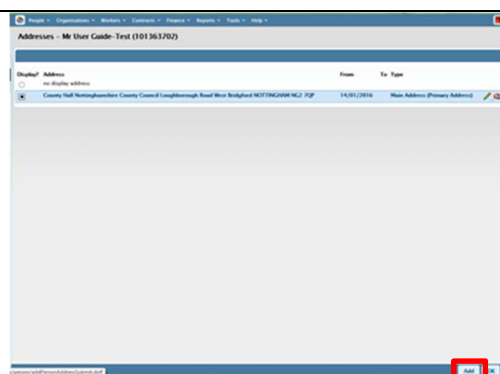

Display? Address	From	To	Type
☐ no display address			
☒ County Hall Nottinghamshire County Council Loughborough Road West Bridgford NOTTINGHAM NG2 7QP	14/01/2016		Main Address (Primary Address)
☐ Nottinghamshire County Council 40 Station Road SUTTON-IN-ASHFIELD NG17 5GA	22/01/2016	27/01/2016	Main Address

It is important that when a service user leaves an address the record is closed in Mosaic as incorrect details can result in Service Users not receiving correct services or breaches of Data Protection Act 1996
