
Continuing Health Care (CHC) National Framework

[View the current versions of the following documents](#), which can either be viewed online or downloaded for completion.

- CHC National Framework 2022
- What is NHS Continuing Health Care? Easy Read
- CHC Checklist *
- Decision Support Tool
- Fast Track Pathway Tool

*Please note the CHC Checklist is now a Step in Mosaic, and should be used in all instances, rather than the form referred to above. Should you encounter any issues with ICBs accepting the output from Mosaic, then please direct the issue to Martyn Harris (martyn.harris@nottscg.gov.uk).

A [Public Information Leaflet to support the national Framework](#) is available, and can be issued to individuals or their families as appropriate.

The slides and FAQs from the training sessions run during September 2018 to introduce the 2018 Framework are available below.

- [NHS England slide deck \[PDF\]](#)
- [FAQs – revisions to National Framework \[PDF\]](#).

The [National Framework for CHC and FNC Update document \[PDF\]](#) highlights the changes brought about by the 2022 Framework.

Independent review process

The [Independent Review Process document \[PDF\]](#) is a useful guide that gives members of the public an overview of the NHS Continuing Healthcare Independent Review Process.
