

Mosaic Support : External Transport Request

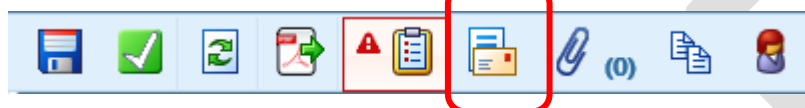

This process is for ordering, recording and commissioning all External Transport. This process guide is not for ordering Internal Fleet Transport.

The External Transport requests sits within the following steps:

- Request Care Package Amendment
- Care and Support Assessment
- Review – Community Care Review.

1) Open one of the above steps.

2) Click on the Create icon and click on “External Transport Request”

3) Complete Section 1 – Referrer Details

4) Complete Section 2 – Transport Requirements

5) Complete Section 3 – Quick Quote - NOT TO BE USED IF SERVICE USER REQUIRES WHEELCHAIR ACCESS OR AN ESCORT.

6) Section 4 – Journey Details. Please see example below:

a) Term time transport at Landmarks

d) Another window will open for you to enter the next school term. Keep pressing Add until you have entered the last term time dates – then press Add and Close.

If there is a period where a Service User is, for instance, in Respite they will need to be picked up and taken back to a different address. The address information needs to be clear. Enter in to “Any Additional Notes” the address number, e.g. from Home to Landmarks its address No 1, Respite to Landmarks is address No 2. (See (e) below for addresses).
