 Section 2: Summary of CSC Conversation..... 3

 Section 3: Record of Conversation 4

 Section 4: Next Actions..... 7

Conversation with a Carer: Adult caring for Adult.

The step follows on from a previous CSC Conversation step.

Start Conversation with a Carer: Adult caring for Adult from the Current work field by clicking on Incoming and then Start Work. If you are going back into the step after having worked on it, click on Incomplete and then Resume work to reopen it.

Within the step there is one Form with four Sections:

- Carer Details
- Summary of CSC Conversation
- Record of Conversation
- Next Actions

Section 1: Carer Details

Section is partially pre-populated with information provided. Check to ensure it is correct and complete the remaining fields.

Employment Status. This field is mandatory. If it is empty, you need to update it on the person summary screen by selecting Person details, then Employment status.

I have checked the person's employment status and updated their person summary screen: If or when the Employment Status field has been completed, click to show that you have checked the person's Employment status.

Accommodation Status: If this field is empty, select the appropriate one from the drop-down list.

Check that the Primary Support and the subgroup reasons are correct and update, as necessary.

Does the person need support to be fully involved? Select Yes or No. If you select Yes, you will need to complete an additional text box explaining what kind of support.

How many people are you caring for? This is a Mandatory field. Select either:

- 1
- 2
- 3
- 4 or more.

Personal details of the cared for person. This table is prepopulated but can be amended by clicking on the green pencil. Additional cared for people can be added by clicking on Find.

Section 2: Summary of CSC Conversation

Fields have been pre-populated from CSC Conversation.

Section 3: Record of Conversation

Date of this conversation. This is a Mandatory field. It can be set by using the calendar button next to the date field and selecting the appropriate date, or by overtyping it using the format dd/mm/yyyy.

Enter details of the Conversation with the carer in the text box.

What are the next steps? Select one of the following options:

- The carer is happy that the information, advice, guidance, and connections made will support them in their caring role. If you select this option, click [here](#) to go to the next question: 'Conversation Outcomes.'
- Continue to Eligibility Decision Test and Carer Support Plan. If you select this option, click [here](#) to go to the next question: 'Care Act eligibility decision test.'

Conversation Outcomes:

Select one or more of the following options The section is prepopulated but can be amended..

Do you agree to us sharing your information? Select Yes or No. If they do not give agreement, detail the reasons why in the text box.

Care Act eligibility decision test.

Do the carer's needs arise as a consequence of providing necessary care for an adult? Click to agree.

Outcomes: As a result of the carer's needs they are unable to achieve the following outcomes. Select one or more of the following options :

- Maintain a habitable home environment in the carer's own home (even if the 'cared for' does not live there)
- Carrying out caring responsibilities the carer has for a child
- Providing care to other adults the carer provides care to
- Developing and maintaining family or other personal relationships
- Engaging in work, training, education, or volunteering
- Making use of leisure facilities or services in the local community
- Engaging in recreational activities
- Managing and maintaining nutrition
- And/or the responses given indicate the carer's physical or mental health is deteriorating or is at risk of doing so

Wellbeing: As a consequence of not being able to meet one or more outcomes, is there or is there likely to be, a significant impact on the carer's well-being? Select Yes or No and update the Impact list:

- Personal dignity including being treated with respect.
- Physical and mental health and emotional wellbeing
- Being protected from abuse and neglect
- Control over day-to-day life.
- Ability to participate in work, education, training, or recreation.
- Social and economic wellbeing
- Family and personal relationships
- Suitability of accommodation and living arrangements
- Contribution to society

Evidence to support professional decision making. Enter details of your decision making into the text box.
