

No Offer Of Care

If neither the Lead or Additional Providers can offer on your care package request you will receive an automated email saying 'No provider has made an offer on your Home Based Care package'. There will also be an update of the status of the request on the Summary screen of the request in Mosaic.

It is your decision, as the worker, as to how you now want to proceed with the request. Your options are:-

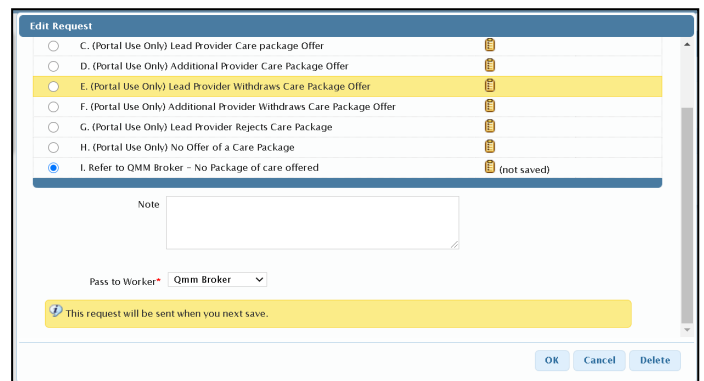

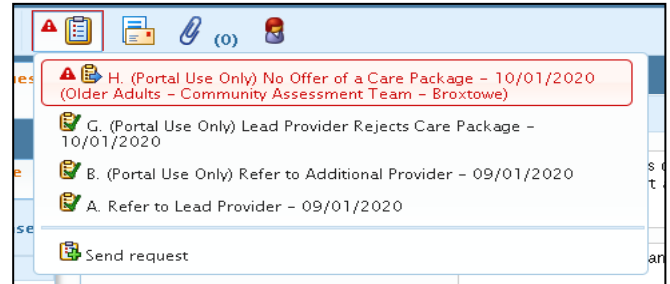

- a) Resubmit the request to the Lead and Additional providers again, through the portal, with a different start date range
- b) Send the request to the QMM Brokers to procure a package with a Supplementary Provider
- c) Consider a Direct Payment

a) Resubmitting the request to the Lead and Additional Providers

- 1) Within the Request step click on the **Requests** icon on the Mosaic tool 
 - 2) Click on **No Offer of a Care Package**
 - 3) Click on **Completed**
 - 4) Click on **OK**
 - 5) **Repeat the process above for any items in the list showing in red**
 - 6) Resume the request
 - 7) Enter your new start date range (the information on the original request will pull through)
- 
- 3) Click the **Requests** button on the Mosaic toolbar 
 - 4) Select **Send Request**
 - 5) Select **Refer to Lead Provider**
 - 6) Select **Home Care Portal** from the **Pass to Team** drop down menu
 - 7) Click on **OK**
 - 8) Click **Save**
 - 9) Click on **Close**  to exit the step
 - 10) Check that the status of the request in the Summary has changed to **"Completed"** (refresh your screen, using the F5 button, to update the status. Proceed as normal with your request, using the other Quick Reference Guides for further details.

b) Sending the request to the QMM Brokers for a Supplementary Provider

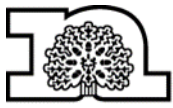

- 1) Within the Request step click on the **Requests**  icon on the Mosaic tool
- 2) Click on **No Offer of a Care Package**
- 3) Click on **Completed**
- 4) Click on **OK**
- 5) **Repeat the process above for any items in the list showing in red**
- 6) Enter your new start date range (if necessary) - the number of hours and carers will pull through from the earlier HBC request step
- 7) Click on the **Requests** icon 
- 8) Select **Refer to QMM - no package care offered**
- 9) Select **QMM Broker** from the **Pass Worker** drop down menu
- 10) Click on **OK**
- 11) Click **Save** and then **Close**  to exit the step

The request will now be validated by the QMM Brokers and they will try to procure a package with a Supplementary Provider

If a provider is found:-

- 1) The QMM Brokers will send a request 'K Response from QMM Broker' to you and your team with details of the package i.e. Provider name etc.
- 2) You will need to Complete the request and then send the confirmation form to the provider by email, using Cryptshare
- 3) You will then need to update the Support Plan with the provider information and send the step to DIT for commissioning
- 4) Now NFA the HBC request

If no provider is found:-

- 1) The QMM Brokers will send the 'K Response from QMM Broker' request to you and your team to advise you that a provider has not been found
- 2) If you choose to go back to the Lead and Additional Providers again you will need to NFA the original request and create a new request step from the CASA with a different range of start dates.

c) Closing the existing Request - to action a Direct Payment

Before setting up the Direct Payment, you will need to withdraw the existing request - please see the Quick Reference Guide "Withdraw a Request" for detailed instructions.
