Conversation with the carer

Details

Outcomes

As a result of the carer's needs they are unable to achieve the following outcomes (tick outcomes carer is not able to achieve):

- ☐ Maintain a habitable home environment in the carer's own home (even if the 'cared for' does not live there)
- ☐ Carrying out caring responsibilities the carer has for a child
- ☐ Providing care to other adults the carer provides care to
- ☐ Developing and maintaining family or other personal relationships
- ☐ Engaging in work, training education or volunteering
- ☐ Making use of leisure facilities or services in the local community
- ☐ Engaging in recreational activities
- ☐ Managing and maintaining nutrition
- ☐ And/or the responses given indicate the carer's physical or mental health is deteriorating or is at risk of doing so

Carer Support Plan

The support plan contains the outcomes you want to achieve to support you in your caring role, and the support that will help you achieve those outcomes. As an authority we will seek to provide you with information and advice on what can be done to reduce the needs in question, and to prevent or delay the development of needs in the future.

What support do you get from family/friends/neighbours and/or the community to help you with your caring role?

What other support do you require in your caring role?
